

Further Reading – a list of sources and background texts for The Complex Christ

In compiling the following list of books I have had to face the difficult choice of whether to categorise them or not. I have decided to do this for the sake of clarity, but, in creating order, I am aware of the impossibility of doing so without coming up against anomalies (is *Future Shock* really about Urban Life?) so, in the spirit of the text, please allow each reference the fluidity to cross boundaries.
